

# *Science Rocks!*

presents:

## **Intuition on probability: Do physicists do better than average?**

**Intuition on statistics is often  
found to be rather poor.  
During the talk we will  
test how we perform.**

**Speaker: Johannes Nübler, AG Prof. Gerland  
Thursday, November 21st, 17:45  
Room N110 (Altbau Physik), LMU**
