

# CeNS meets Industry 2010

Friday, July 16th

## Program

13:15 - 15:15 | Careers at industry

**Dr. Christine Meyer (Solland Solar Cells)**

Improving solar cells

**Dr. Marc Hennemeyer (SÜSS MicroTec Lithography)**

Hitchhikers guide through the semiconductor industry

**Dr. Johanna Kirstein (Wacker Chemie)**

Quality assurance in the polysilicon production

**Dr. Stefan Beyer (Infineon Technologies)**

Technology Development @ Infineon Regensburg  
Innovative Top-Down Nanotechnology

15:15 - 15:45 | Coffee and discussions

15:45 - 16:45 | Insights into industrial research

**Dr. Gerhard Wagenblast (BASF)**

My view to BASF SE

**Dr. Matthias Linde (BMW Group)**

Nothing gets lost - Thermal management as a component  
of the BMW EfficientDynamics Strategy

## Venue

Kleiner Physik-Hörsaal, Altbau Physik (Lehrstuhl Kotthaus/Rädler), LMU Main Building, Munich  
Entrance via Schellingstr. 4, across the courtyard or via Amalienstr. 54
